LETTER OF RECOMMENDATION

To Whom It May Concern-

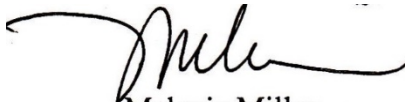

We have been working with Jim Zura and his associates for more than two dozen years, servicing our corporate clients' video needs. He consistently brings a high level of quality, creativity and experience to each project.

Personally, Jim is always highly professional, light-hearted and enjoyable to work with. He has a great ability to interpret our needs, regardless how challenging, and to deliver each project on-time and on-budget.

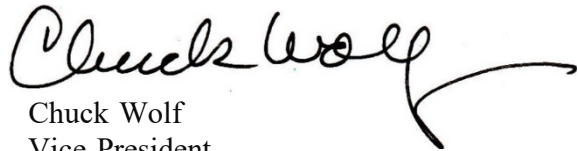

Jim has successfully completed video projects for dozens of our energy clients, including Apache Corporation, BASF, Celanese, Cobalt, Cyanco International, Dow, ExxonMobil, InCoSiT, Kaneka Texas, Kuraray America, Lubrizol, Noltex, Pacific Drilling, Petrobras, Rentech Nitrogen, Shell Oil Company Westlake, and many more.

We would certainly not hesitate to recommend Jim to anyone requiring a top-notch Director of Photography. We're sure he will meet or exceed your expectations.

Sincerely,
